I hereby certify that this correspondence is being deposited with the United States Postal Service, utilizing the "Express Mail Post Office to Addressee" service addressed to Box Patent Application, U.S. Patent and Trademark Office, P.O. Box 2327, Arlington, VA 22202, , on November 27, 2001.

REQUEST FOR FILING DATE BASED ON SUSPENSION OF EXPRESS MAIL SERVICE
BY UNITED STATES POSTAL SERVICE

Commissioner for Patents
Washington, DC 20231

Sir:

It is respectfully requested that the above-identified application papers, which are enclosed within the still-sealed Express Mail envelope accompanying this request, be accorded a filing date of November 26, 2001.

Per information and belief, Janet G. Moore of our law offices attempted to deposit the enclosed papers as Express Mail pursuant to 37 C.F.R. §1.10 on November 26, 2001. The postal clerk apparently refused the deposit. Enclosed is a DECLARATION BY JANET G. MOORE IN SUPPORT OF REQUESTED FILING DATE to support these statements.

09997478 11/26/01

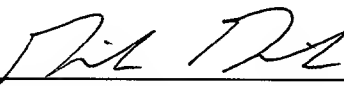

When Janet Moore returned from the Post Office and told me the story, I instructed her to keep the original envelope sealed and untouched so as to preserve the contents of what she had attempted to deposit as Express Mail. To the best of my knowledge this has been done and the enclosed and still-sealed Express Mail envelope is the one which she tried to deposit on November 26, 2001. We will now be trying to re-deposit this item as Express Mail addressed to the Virginia alternate address given at the USPTO's website.

Pursuant to 37 C.F.R. §1.6(e), it is respectfully submitted that the enclosed papers are being promptly filed after the initial refusal of the deposit by the USPS and that the enclosed correspondence would have been filed on November 26, 2001 were it not for the interruption or emergency in the United States Postal Service. It is therefore respectfully requested that the enclosed papers be given an official filing date of November 26, 2001.

The Commissioner is hereby authorized to charge underpayment of any fees associated with this communication or credit any overpayment to Deposit Account No. 06-1325. A duplicate copy of this paper is enclosed.

Respectfully submitted,

Date: Nov. 27, 2001
